ABOUT ICCGV

Following the success of first two years' conferences in Tokyo, Jeju Island, and past 2 years' virtual conferences, International Academy of Computing Technology (IACT) is organising the 5th International Conference on Computer Graphics and Virtuality (ICCGV 2022). The conference will take place in Chengdu China, during February 25-27, 2022. It is the workshop of ICDSPP 2022 and will be held together. Conference consists of keynote lectures, oral presentations, poster presentation, online presentation or video presentation on all aspects of Computer Graphics and Virtuality. All professors, researchers and university students in related fields are cordially invited to participate.
